                                               ORDER TO SHOW CAUSE
9   v.

                    Defendants.
11

12   On March 9, 2016, the court ordered Plaintiff Loop AI Labs Inc. to produce a privilege log

13   by no later than March 16, 2016. [Docket No. 456.] On March 18, 2016, Defendant Almawave

14   USA, Inc. ("Almawave") filed an administrative motion for leave to file a unilateral discovery

15   letter brief in which it asserts that Plaintiff has refused to comply with the court's order to produce

16   a privilege log and seeks leave to move to compel Plaintiff's production of documents over its

17   privilege claims based on waiver. [Docket No. 498.] Plaintiff did not timely oppose Almawave's

18   administrative motion and did not refute Almawave's representations about its refusal to produce a

19   privilege log. Accordingly, by no later than April 5, 2016, Plaintiff shall show cause in writing

20   why it should not be sanctioned for failing to comply with the court's March 9, 2016 order and

21   why its failure to produce a privilege log should not be deemed a waiver of any asserted

22   privileges. Plaintiff's response to this order to show cause shall not exceed three pages.
